

Elite Golf Learning Experience--EaGLE

Golf is truly a game that one plays for a lifetime and the skills a junior learns while playing transcends the game itself. Our Junior Golf Academy prepares kids to be champions on the course and in life.

Golf can be a challenge in overcoming adversity or a demonstration of mastery. More often than not golfers at a young age earn greater achievements in life because of the traits promoted in golf. Add to that the fact that the golf course is still a place where deals are “done”, agreements are structured, and world issues are discussed and you have plenty of reasons to take up the game.

What is the EaGLE Program

It is a full-time, year-round golf training program that incorporates all aspects of golf to dramatically improve golf performance and change the way dedicated junior golfers approach their training. It is designed based on the best practices of and directly overseen by Stephen Moskal. Through carefully planned practice sessions, each junior will be able to reach his/her own personal goals.

What makes the EaGLE program for junior golfers different than other programs?

At the heart of this program lies a universal truth, greatness is earned. The debate about the relative importance of natural talent vs hard work in achieving success will certainly never be entirely resolved. However, one thing for sure is that there has never been a champion of anything who has said something to the likes of...“I simply rely on my natural talent to carry me through.”

The EaGLE program teaches juniors how to achieve success.

Through a year-long commitment, the junior golfer will develop the techniques (swing and other) and the resolve needed to become a tournament player. In this program, we create a unique team experience where students help each other and push each other.

Golf MY [YOUR] Way

Golf is one of the best games because its individual nature allows for each player to “find oneself” and play “his/her own game.” It is not a coincidence that players make comments like “I just played MY game and did not worry about the others” when describing the formula that allowed them to win that major tournament. In this program, kids learn a swing based on *fundamentals* and not *methods*. Methods come and go but the fundamentals of the game do not change. We teach those fundamentals.

Included in the program:

- unlimited access to group classes (roughly 400 hours/ year)
- weekly private lessons (between 25 and 30 / year)
- tournament coaching and support (tournaments selected by pro and student together)
- team golf gear (bag, shirts and hats)
- golf resume building

I do not believe it is possible for any youngster, however naturally talented, to learn the fundamentals of golf in less than five years of dedicated effort.

POLICIES & PROCEDURES

The following are the policies and procedures of the Stephen Moskal Golf Academy with regard to the full-time EaGLE training program:

PROGRAM INTENT

The intent of the program is to help golfers understand the value of practice, learn HOW to practice, and target specific periods and tournaments in which to compete and succeed. Additionally, the program offers support to the golfer in the form of team, coach, and online collaboration allowing the support team the ability to assist the golfer in preparation and execution throughout the year.

PROGRAM TIMEFRAME

The EaGLE training program runs for a complete year and can be entered quarterly. Training encompasses four seasons, each designed specifically around educational goals, tournament schedules, weather considerations, and a host of other factors.

PROGRAM ENTITLEMENTS

Within the EaGLE program are approximately 400 hours of available golf training designed to help junior golfers meet their goals and achieve success at their next level of competition. Specifically, the program includes:

- Hundreds of hours of scheduled, available golf instruction¹
- Private lessons with Stephen Moskal
- Specialty golf schools with Stephen Moskal
- Personalized golf bag
- Academy golf shirts
- 1 year of Edufii™ – online athlete collaboration
- Transportation to and coaching/support at several tournaments and competitions in the tournament season²

SERVICE

We reserve the right to remove students from the program that fail to uphold the professional etiquette and behavior standards required in a golf environment. We will always continue to help players improve but will not tolerate poor behavior that might negatively reflect on a golfer's family, the academy, or the staff and instructors that have dedicated themselves to helping the golfer achieve their goals.

WITHDRAWAL FROM THE PROGRAM / REFUNDS

Written request to discontinue the program for any reason within 90 days will allow the golfer to withdraw and receive a partial refund. The refunded rate will reflect the subtraction of any and all committed funds to include, but not limited to, the cost of instruction, uniforms, golf bags, hats, transportation, and the Edufii™ subscription.³

WEATHER

The Stephen Moskal Golf Academy will make every attempt to account for the changes in weather experienced throughout the year. If weather becomes a determining factor in our ability to offer golf instruction, practice, and supervised play at a reasonable rate for a generally sustained period of time we will look to add hours of instruction for the golfers affected.⁴

TRAVEL/TOURNAMENTS

Our intent is to target specific tournaments for each of the golfers in the program based on availability, skill level, desire, and aptitude. We will support the golfer in all facets of preparation and competition to include transportation, practice round(s), course strategy, yardage books, and competition review.

ONLINE COLLABORATION

Golfers in the EaGLE program will be given a one year subscription to the online collaboration tool Edufii™. Edufii™ is essential in strategy creation for the golfer, as an informational tool for parents and guardians, and as the hub for athletes and coaches to collaborate.

ETIQUETTE & BEHAVIOR STANDARDS

We expect our golfers to behave in a manner consistent with the highest professionalism and etiquette, obeying all explicit and implied rules of the academy, any visited facilities, and the governing bodies of the sport. Failure to adhere to rules or properly behave will result in loss of privileges such as tournament play and the possibility of un-enrollment from the program.

¹ Available golf instruction is for use as you see fit, as little as, or as much as necessary/applicable and contingent upon confirmation of attendance 24 hours in advance.

² All registrations and greens fees are the responsibility of the golfer.

³ Reasons include medical, financial, satisfaction, relocation, and all others. This is a blanket policy.

⁴ Reasonable and sustained meaning back-to-back-to-back days per week for multiple weeks at a time.
